  - Delhi Public School Ruby Park Kolkata
  - 95% in AISSCE
  - 2019-2021
- **10th Standard**
  - Delhi Public School Ruby Park Kolkata
  - 96.2% in AISSE
  - 2009-2019

PROJECTS

Task Tracker

Created a website using ReactJs and JSON server to ease your life and track your daily tasks also allowing you to create reminders of those events. Uses the JSON server to store the added tasks so as to enable the website to retain the previously added tasks on refreshing it.

Admission Management System

A project based on the concept of integration of Python with MySQL, aimed at providing a system through which vast amount of data and records of students maintained by educational institutions could be displayed in a systematic and clean manner to enable smoother administration procedures.

Dice Roller App

Created an android app using Kotlin on Android Studio to roll a dice and generate random outcomes and display if the user has won or not based on a lucky number.

WORK EXPERIENCE

XPECTO – The Tech Fest of IIT Mandi

- Organizing Team
- Apr'2022 – May'2022

Delhi Public School Ruby Park Tech Club

- Core Team
